District 19 Community Services Board's Commonwealth Coordinated Care Project

(CCCP) is a new Virginia initiative that coordinates care for individuals who are

currently served by both full Medicare (entitled to benefits under Medicare Part A and enrolled under Medicare Parts B and D) and full Medicaid and meet certain eligibility requirements. The program is designed to be the single entity accountable for coordinating delivery of primary, preventive, acute, behavioral and long-term services and supports.

The goal of this initiative is to provide Virginians with high quality, person-centered health care that focuses on their needs and preferences.
