Adaptive Home Environments provides assessments and plans for successful Aging in Place by accessible home modifications and assistive technology. Services are focused on fulfilling your desire to remain living independently, safely and comfortably in your own home. Through the services, you will gain ideas and strategies on accessible home modifications, assistive technology and universal design which will make performing tasks in your home easier, remove barriers to mobility, reduce accidents and support independence.

Staff can also provide project liaison services with your contractor.

Service Area(s)

King William County

,

King and Queen County

,

New Kent County
