Caring for You: Mind, Body, and Soul

Caring for You: Mind, Body, and Soul is a microlearning series, by the **Riverside Center for Excellence in Aging and Lifelong Health**, to enhance the wellness of people living with dementia and those who care for them. This video series follows a family caregiver support group as they navigate the challenges and gifts of caregiving. It includes 10 lessons, each 10 minutes or less. Through real-life scenarios, caregivers learn how to care for themselves while supporting a person with dementia.
