Ocean View Senior Center hosts recreational classes, wellness programs, fun activities and the chance to socialize with fellow seniors over a hot, delicious mid-day meal. The meals are available one day a week to people age 60 and older and their spouses. Group dining is also extended to persons with disabilities who reside with (and accompany to the center) an eligible member, as well as the volunteers who assist with these meals.

Fee: Suggested voluntary contribution based on income and a sliding fee scale. Day trips are also available. To reserve your meals, call the Nutrition Center. Also, let them know if you need transportation to and from the center. The Nutrition Center will make arrangements with Senior Services for your ride and will let you know when it has been scheduled.
