ComForcare provides non-medical home care services to help meet all the daily needs of the homebound individual. Our services include meal preparation, medication reminders, grooming and hygiene. Caregivers also provide general supervision and ambulatory assistance to ensure client safety and well-being.

Personal care aides provide assistance with all activities of daily living, including bathing. Personal Care Aides and 24 hour Live-In Assistants are available to serve you 24 hours a day, 365 days a year. A registered nurse will formulate an individualized care plan through consultation with the physician, client and family for those needing personal care.
