The American Volkssport Association (AVA) is an educational, non-profit organization dedicated to promoting non-competitive physical fitness, friendship and fun through volkssporting events. Volkssporting is a personal fitness sports and recreation program offering noncompetitive walks, hikes, bike rides, swims, and in some regions cross-country skiing. You may choose your time to start within the start/finish "window" and participate in the sport at your own pace. There are over 300 active clubs presenting thousands of volkssporting events each year.

Walking – also called "volkswalking" – is the most popular of all the volkssporting activities. Walks are generally 10 km (6.2 miles) in length and the routes are marked

or guided by a leader. Local clubs generally offer a 5 km (3.1 miles) option for participants who are physically or medically unable to complete the longer walks. All events are noncompetitive.
