Hospice of Virginia is seeking volunteers to provide life-enhancing support to terminally ill patients and their families. The service area is Southside, Tri-Cities, Central Virginia, Tappahannock, and surrounding counties. There are three areas in which a volunteer may provide services--patient/family, bereavement, and clerical support. The volunteer may help in several ways, including a friendly visit, reading to patients, providing caregiver relief, or more importantly just being there.

Extensive training is provided upon completion allowing the volunteer to visit patients in the home, hospital, or nursing home setting.
