Franklin County provides transportation to and from non-emergency medical and dental appointments for seniors who lack transportation and are over 60 years of age or older and have no other means of transportation. Advance scheduling is

necessary. Individuals that receive Medicaid should contact ModivCare (formerly Logisticare) by calling 1-866-810-8305 and request us as their provider as we cannot transport Medicaid participants directly.

Transportation for dialysis patients is offered three days a week. An appointment is necessary.

The latest appointment time drivers will take individuals is 2 pm since there is no one in the office to support drivers if an appointment runs after 5 pm.

To see if you qualify, please call us at 540-483-9238 for a qualification assessment.

One bus driver is allocated to dialysis patients and only drives to the dialysis center in Rocky Mount.
