Potomac Place provides quality assisted living care and compassionate memory care services. The community offers some of the area's largest senior living apartments, many with private patios and balconies.

The small community has a welcoming and close-knit feel. Families have peace of mind knowing that licensed nurses are on-site and available 24 hours a day, seven days a week. Multiple levels of assisted living care and a secure memory care wing ensure that care is tailored to each resident. On-site rehabilitation (including speech, occupational, and physical therapy), and visiting physicians ensure that residents have convenient access to the medical care they need.

Potomac Place offers a fun and vibrant lifestyle—complete with enriching activities for all interests, delicious meals for all palates, and a variety of apartment styles for every taste and budget.
