Cardiovascular Associates has been the primary provider of cardiac care in Sentara Virginia Beach General Hospital. As one of the largest cardiology groups in the Mid-Atlantic region, the practice offers a full spectrum of cardiology services and expertise in all specialties of cardiac care.

All of the cardiologists are board certified or board eligible, and all are members of the American College of Cardiology. The physicians participate in many national research studies and keep abreast of the latest in evolving strategies in cardiac care.

The practice has six offices in Virginia Beach and Chesapeake.

Hospital admitting privileges are with Chesapeake General Hospital, Sentara Norfolk General, and Sentara Virginia Beach General Hospital.
