Sunrise of Richmond's Alzheimer's and Memory Care Program cares for residents with memory impairment and Alzheimer's. Special attention is given to creating pleasant days for each resident, based on his/her memories, hobbies, etc. Staff are specially trained in relationship-based care. Help is provided as required with personal hygiene, feeding, toileting, and more.

Each resident is encouraged to maintain as much independence as possible, thereby preserving their dignity. Transportation is provided to social, recreational and medical appointments.

The capacity for assisted living and memory care is 110.
