Volunteer help is needed at the National Chapter of the Alzheimer's Association . Daytime, evening and weekends, volunteers make a critical difference in the office and in the community. Special training is offered to those interested in becoming Helpline specialists, support group leaders and Speakers' Bureau and health fair representatives. Other volunteer opportunities include assistance with special events, community outreach, data entry, planning committees and various administrative activities. Volunteers must be at least 16 years of age. Individuals and groups are welcome as volunteers.

For more information about volunteering or other questions about how to get involved, call 703.766.9007.

Ben Donnelly, bedonnelly@alz.org is the current Volunteer Coordinator.
