The Landover Counseling Center offers outpatient services to include preventive, diagnostic, and treatment services to help patients and/or their families achieve, maintain, and enhance a state of emotional well being, personal empowerment, and the skills to cope with everyday demands without excessive stress through facilitation by a psychologist or a psychiatrist.

Services include psychotherapy (individual and group), psychiatric evaluations, aftercare (supportive counseling and chemotherapy), family therapy, family counseling and education services, pre-screening for admission to state facilities, consultation and education, case management services, and emergency services which include diagnosis, evaluation, and hospitalization. Supportive services include case management services.
