At Washington Cancer Institute, experts from a variety of disciplines work together to develop customized plans for each patient. These individualized treatment plans arm the patient with a complete plan of care for the best possible outcome. Our services include:

- Cancer support services
- Medical oncology
- Pain Treatment Center at Washington Cancer Institute
- Palliative care
- Radiation oncology
- Screening, genetics, and early detection services

MedStar Health's network of world-class oncologists specialize in treating people with certain types of cancer, such as cancers of the skin, the lungs, breast, or colon.

Call for information about support groups. Language bank for all patients and the deaf and hard of hearing.
