Bristol Tennessee Parks and Recreation offers a nutrition site for persons age 60 and over. Lunch is served daily at 11:30AM. Call 423.764.2155 for information and to make reservations. Fall and Winter hours are Monday, Tuesday and Thursday from 8AM until 8 PM.

Transportation is offered to and from the Center, social service agencies, doctor appointments and other priority trips. Call for a reservation at 423.646-5216.

Slater Community Center is a community focal point for senior services where adults age 50 and older come together for fellowship, to participate in programs, engage in opportunities for dignity and personal growth, improve and enrich their quality of life, support the needs of other individuals, enhance their independence and to broaden their involvement with the community.

The majority of the activities and classes are free. There are costs related to day trips, dinner/dances and some special events.

Terry Napier is the Parks and Recreation Director.
