The Caregivers Support Group offers opportunities for support, sharing experiences and education for family members and/or caregivers for persons providing care to the elderly or people with intellectual or physical disabilities.

The group meets on the first Monday of each month at 4:30 pm in the Warren Memorial Hospital Outpatient Center Conference room. Please call Michelle Davies at 540-635-0730 for more information or to confirm day and place of meeting.

Under certain circumstances, this group may meet virtually or by telephone.

Service Area(s)

Warren County
