Westminster Canterbury of the Blue Ridge (WCBR) is a nationally accredited Life Care Community (also known as a Care Retirement Community (CCRC)), offering a full continuum of care including Independent Living, Assisted Living, known as Catered Living, and Intermediate and Skilled Nursing care. As a Life Care Community, WCBR's continuum provides active, independent seniors access to a wide range of services, programs, and staff to meet both temporary needs and long-term care needs at no additional cost. A full-service Rehabilitation Department offers on-site Physical Therapy, Occupational Therapy, and Speech Therapy.

Westminster Canterbury is situated on 56 acres on Pantops Mountain with views of Monticello and the Blue Ridge mountains. Currently, the community offers three styles of cottages and apartments each for independent living. The Cultural Arts Center, Chapel, library, formal and casual dining venues, heated pool and fitness center, and a 17-acre Nature Preserve with walking trails are among the various amenities available at Westminster Canterbury of the Blue Ridge.

In addition, they offer a Memory Support Program known as VISTA, which cares for seniors living with dementia or Alzheimer's Disease.
