Mennowood Retirement provides specialized care to individuals age 62 years of age and older with dementia or Alzheimer's. Reflections Memory Care (Reflections), the specialized designed memory support apartments, is a safe and secure environment for fifteen individuals.

Reflections offers a fresh perspective on memory care. Specialized training, careful selection of caregivers, and a resident-focused approach are hallmarks of the Reflections program. The goal is to enhance resident engagement, create opportunities for success based on current abilities, and build positive relationships among residents, families, and caregivers.

Managed by Coordinated Services Management.
