SeniorBridge is a provider of non-medical care for seniors in their home. Personal care is performed by Certified Nursing assistants and includes bathing & grooming, assistance with walking and transferring, assistance with exercises as well as all services of a companion. Services include personal, homemaker and companion care.

A personal care visit is available to help with am/pm care. Caregivers are available 24 hours a day 7 days a week. Caregivers are thoroughly screened, including a criminal background check, then bonded and insured for the client's protection. Services can be temporary or long-term.

Respite care can be provided for a family caregiver. A personal emergency response system is also available.

The majority of services are provided to senior citizens, but will help others in need

of services.

Transportation fees include a per mile charge. Fee for live-in care is determined individually.
