Mountain Lynx Transit provides deviated fixed-route service in the City of Wytheville on two loops. The Gray Loop serves mostly the east side of town and the Maroon Loop serves mostly the west side of town. A Summer Saturday Loop operates by alternating on both the Gray and Maroon loops. All transit vehicles are wheelchair accessible.

The weekday loop buses operate hourly along a flexible-fixed route. You may board the bus anywhere along the route. Drivers have the flexibility to deviate a few blocks off the general route of travel for a drop-off or pick-up. Request-based service is available for areas within the town limits not serviced by the loop.
