Westminster-Canterbury provides residential and assisted living facilities. The assisted living facility provides assistance with activities of daily living for those who need extra help in their day-to-day lives but do not require 24-hour care. Non-ambulatory residents are welcome.

The LifeCare community offers accommodations at every level; independent living, assisted living, and nursing care – at a stable cost. Most importantly LifeCare protects your assets from the potentially catastrophic costs associated with long-term assisted living and nursing home care. And with our simple monthly fee, you are better able to predict your monthly expenses, even when health services are required.
