The Arc of Northern Shenandoah Valley (NSV) has multiple opportunities for volunteers. We have ongoing volunteer activities such as serving on our Board of Directors, participating in our advocacy efforts, and there are many opportunities to volunteer in the office. Work in the office would include anything from event planning to helping with mailings, based on your interest.

Over the course of the year we have monthly activities that we can always use more help with. At most of these events we need help with set up and break down, being a friend, and logistics/organizing. These are onetime events and are very rewarding. They do not require year round participation. You can sign up to help one event at a time again, based on your interest.

Please call for more information.
