Griswold specializes in providing care to families throughout Northern Virginia, including live in and overnight service, from well-screened, experienced and professional caregivers at some of the most affordable rates in our area. Our office will work diligently to exceed your expectations and help you or your loved one stay safely and comfortably at home..

Each of our licensed, bonded and insured caregivers must pass an extensive interview process, including a national background check, before they are hired.

Our CarePairing system ensures a good match between your loved one and a caregiver with appropriately matched skills and abilities. Services can be provided in your home, assisted living, nursing home or hospital.

Personal care services can include assistance with activities of daily living (bathing, dressing, grooming, hygiene, feeding), oral/mouth care, skin care, reposition bed-bound clients to help prevent skin breakdown, assist with range of motion activities and more. Other services available are meal planning and cooking, light housekeeping, personal laundry and linens, errands, grocery shopping, plant and pet care and more.
