Elizabeth House is an assisted living community located in Glen Allen, Virginia offering services to ambulatory adults. We know how important it is to residents that they maintain as much independence and freedom as possible. Because of this, we provide minimal help with daily activities so that residents may preserve the active lifestyles that they love. Elizabeth House is close to Henrico Doctor's Hospital, and if a resident ever requires skilled nursing care, Elizabeth Adam Crump Health & Rehab is nearby.

Residents also enjoy the activities we offer, which include spiritual services, bingo, library visits, and group outings to other places in the community. The capacity is 60 residents.
