Sunrise of Arlington's Alzheimer's and Memory Care Program is focused firmly on the individual and on providing a safe, familiar, yet stimulating environment. Sunrise's Reminiscence neighborhoods are specially designed to provide comfort and security in a separate environment for those with Alzheimer's, dementia, and other forms of memory loss. The team is trained to value each senior and recognize their preferences and needs. Memory loss affects every resident differently and the focus is on understanding each senior to provide care they respond to positively.
