The Chesapeake provides a continuing care retirement community that offers residential living - and life care through assisted living, memory support, and nursing care onsite. The convenience of the services makes a difference in your well-being. When you access health services, there will be no additional increase in your monthly fee. The only other charges will be the cost of two additional meals daily and ancillary charges (medical supplies, pharmacy services, etc.). Through the payment of the entrance fee (a portion of which is tax-deductible as a prepaid medical expense the year you move to the Chesapeake), you have prepaid in today's dollars for your future health care needs available at The Chesapeake.
