Heart Song Care is a family owned and operated home health care agency that offers skilled and non skilled care in your home. Heart Song Care is skilled at providing long-term, continuous care to chronically ill patients, providing home health care, and companion services to those in need and ensuring continuity of care within the familiar surroundings of home.

Assistive Care (Companion care) professionals provide non-medical assistance with activities of daily living for adults and seniors including self-care and household support services. These services are provided primarily by home health aides on an ongoing shift (two-hour or more) basis, and are available 24 hours a day, 7 days a week. This care is also sometimes referred to as personal care or aide services. If you are interested in companion care and are in the Hampton Roads area, don't hesitate to call and ask about our services and schedule a free consultation today!
