Arden Courts of Fair Oaks offers respite care for individuals with dementia or Alzheimer's. Respite care is temporary 24-hour care to give primary caregivers a

much-needed break. The benefits of respite care can include a new stimulus, the change to interact with new people and the opportunity to share new and different experiences.

Respite care is flexible and can be tailored to meet any length of time. Respite care is provided only if space is available. Call for more information.
