Private Pay

Languages Spoken

English

The Adult Respite Care program offers a stimulating and friendly environment for those individuals who are unable to be alone during the day. Participants enjoy the company of other adults, the support of a nursing staff, group exercise classes, walking, swimming and the wellness center. The program celebrates the richness of each generation by helping participants remain active and stimulated both physically and mentally; encouraging participants to achieve their maximum level of functioning; fostering socialization, interaction and relationships across generations; and providing support for families and caregivers.

Persons with dementia, diabetes or multiple frailties are welcome. Morning snack and hot lunch.

Service Area(s)

Augusta County

,

Staunton City
