As an **Intrepid Hospice Volunteer**, you will likely find your own life enriched, as you build relationships with patients and their loved ones. You will have the opportunity to enter into sacred spaces with people, and walk with people on a journey into and through the end of physical life. You will gain a better understanding of death, and have the opportunity to deepen your own beliefs and practices related to your mortality.

This is one way to give back to your community as well. For more information on how you can make that important first step please call us at our Chester Agency at: (804) 318-5371, or come by our office at 2430 Southland Dr. Suite B Chester, VA. 23831.
