The Shepherd's Center of Richmond (TSCOR) provides clients with free, round-trip transportation to medical appointments and grocery stores. Note: Please call to confirm new clients are being accepted.

Unlike a bus or taxi, TSCOR's transportation is provided by volunteers who give clients personalized attention and door-to-door assistance. Volunteers drive their cars, pick up client from their homes, drive them to their destinations, wait for them, and return them home again. If you or someone you know needs transportation and would like to become a client, please review the guidelines below. To request an application, please call (804) 355-7282. The office is open Monday through Friday from 8:30 am thru 4:30 pm.

CLIENTS ARE:

- Seniors 60 and older;
- Residents in our service area:
- Able to walk independently: volunteers are able to accommodate canes or walkers, but not wheelchairs or transport chairs;
- Residents in their own homes or apartments: residents of senior living communities may be accepted if that facility does not provide transportation.

PLEASE NOTE:

- Rides are available for medical appointments and grocery stores only;

- Rides depend upon finding an available volunteer driver: ample notice is given to the client if a driver is not found for a ride;
- No rides are given to appointments where clients will undergo general anesthesia;
- We regret we cannot transport persons in wheelchairs, transport chairs, or individuals with serious cognitive impairment.
