Long-term Care Medicaid

American Home Care provides personal care in the home to help elderly and mentally and physically challenged individuals with their activities of daily living such as bathing, grooming, dressing, feeding, meal preparation and medication reminders. Other services can include light housekeeping, laundry, grocery shopping, errands, escort to doctor's appointment and other social functions and others.

In home care services are tailored to meet your specific needs. Caregivers go through rigorous background check and application process, as well as training.

Languages other than English: Filipino (Tagalog) and Amharic.
