Smith Strong offer Medicaid Planning to take the necessary steps now to ensure that if the need for long-term care should arise, Medicaid can assist you with covering the costs. The planning does require you to follow specific rules that if not followed can disqualify you from the benefits. Smith Strong's program makes sure not to give away all your assets to ensure you qualify but rather use a strategy that follows the rules of law legally to retain what you need and not losing your lifetime of assets.
