Petersburg Area Transit (PAT) is an ADA transportation service for individuals who have been approved by applying. Paratransit provides an origin-to-destination service. Paratransit services only certain portions of Colonial Heights, portions of Dinwiddie County, and Portions of Prince George County. We will transport up to a three-quarter (3/4) mile radius of the service area.

PAT offers connections to downtown Richmond through GRTC and the greater United States via Greyhound from the Petersburg Multimodal Passenger Station.

The ADA (Americans with Disabilities Act) Paratransit Service is for Senior Citizens, Medicare cardholders, and Persons with Disabilities (permanent or temporary) living within the city limits of Petersburg, or Hopewell or ³/₄ miles outside the service areas. The paratransit service operates wheelchair-equipped vans that provide curb-to-curb (door-to-door upon request) service for ADA-qualified passengers.

Also available is 65 Years Old Paratransit Service for persons 65 years old or older living in the City of Petersburg, or the City of Hopewell.

Please read the <u>Para-Transit Brochure</u> found on the website.

Another specialized transportation option is the Freedom Mobility Program. Petersburg Area Transit has implemented door-to-door transportation for Veterans, Seniors (70 years or older), and persons with disabilities. Transportation is provided to McGuire Medical Center and VCU Medical Center. The cost for the service is \$3.50 each way and is available Monday through Friday.
