Sentara Heart Hospital is a dedicated heart hospital. At Sentara Heart Hospital, patients receive comprehensive cardiac services ranging from diagnostics to open heart surgery and transplants at one location. This hospital features all-private rooms, including 112 inpatient beds and 45 pre-/post procedural rooms for patients undergoing interventional cardiac procedures.

In addition, Sentara Heart Hospital houses five cardiac operating rooms designed to accommodate 2,000 cardiac surgeries a year. There are six catheterization labs for diagnostic and interventional procedures. The facility includes an Advanced Imaging Center and a Hybrid Cardiac Operating Suite. An [additional services](#) list is available on the website.

A parking garage with 450 spaces is available to heart patients and families.
