Counseling, or therapy, designates a regular time in a person's life to explore their thoughts and emotions with the help of a trained professional. Thriveworks can offer counseling for the following:

- Marriage tensions
- Anxiety
- Eating disorders
- Depression
- Grief
- Obsessive-compulsive tendencies
- Addiction
- ADHD
- Life coaching
- Anger management
- Sexual issues
- Divorce recovery
- Life transitions

If you're looking for help with a mental health disorder like depression or anxiety, you might want to consider psychiatric counseling. Psychiatrists are medical doctors who specialize in treating mental illness and can view your condition from a holistic, medical perspective..
