Clinical Care House Calls of Northern Virginia offers clinical care in your home. Carol Hodgson is a Registered Nurse and Nurse Practitioner with 30 years of nursing

experience in cardiac care and emergency care, medical, surgical, and intensive care, while working in civilian, military, and veteran medical centers. Mental Health counseling is also available.

Each patient is treated holistically and the focus is to tailor the medical management for each individual circumstance while honoring the wishes of the person and their loved ones.

Service Area(s)

Loudoun County
