

Programs in which the full time care, supervision, nurturing and protection of a minor child is the responsibility of a grandparent, aunt, uncle or other relative, member of the child's tribe or clan, godparent, stepparent, friend of family or another adult who has a long-standing relationship with the child or the family. In many cases, the programs are specifically for grandparents including those raising grandchildren.

Article

Grand Caregivers: Lessons Learned While Caring for Grandparents

With the increase in multi-generational families, grandchildren play a more prominent role in caring for their grandparents. How grandchildren care for grandparents varies considerably based on age and ability – and whether a parent is involved in the caregiving.
