

Veterans Transportation

Veterans needing transportation to health, medical, and other community programs and services can use local, regional, or long-distance public and private transportation options. Some Veteran health and medical services also offer specialized transportation.

Why Mobility Managers Can Be Transportation Game Changers

Mobility managers are transportation coordinators for older adults, people with disabilities, veterans, and other members of the riding public. They can help people

“find a ride” by connecting them to transportation options in their communities.
